Coquitlam Foundation - History at a Glance

Established by an Act of the B.C. Legislature in 1992, the Coquitlam Foundation provides a vehicle for compassionate citizens to build enduring legacies; gifts that keep on giving to their community in perpetuity. Since then, visionary donors have built the Foundation into a growing endowment that helps local individuals and non-profit organizations meet community needs. In recent years, the Coquitlam Foundation has been raising and ***distributing more than \$140,000 each year*** to the community; ***well in excess of three-quarters of a million dollars in community support since 1992.***
